There is no reference to the
they are very small in size
much less so.

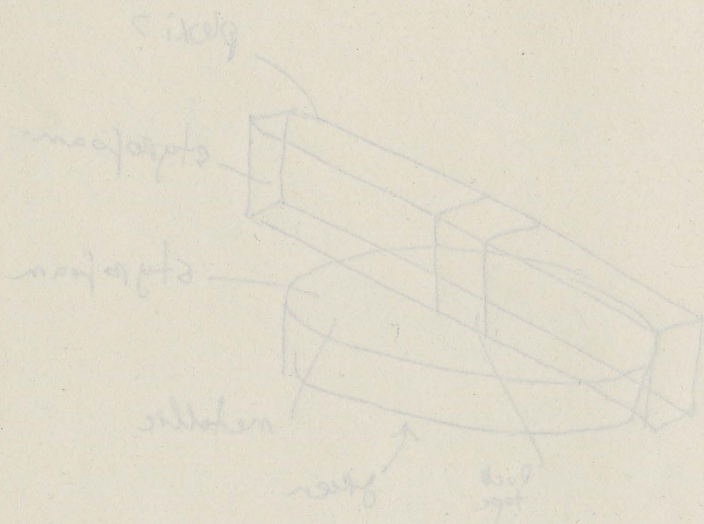

objects as space

the first exhibition
No distance from the ground

oct. 27

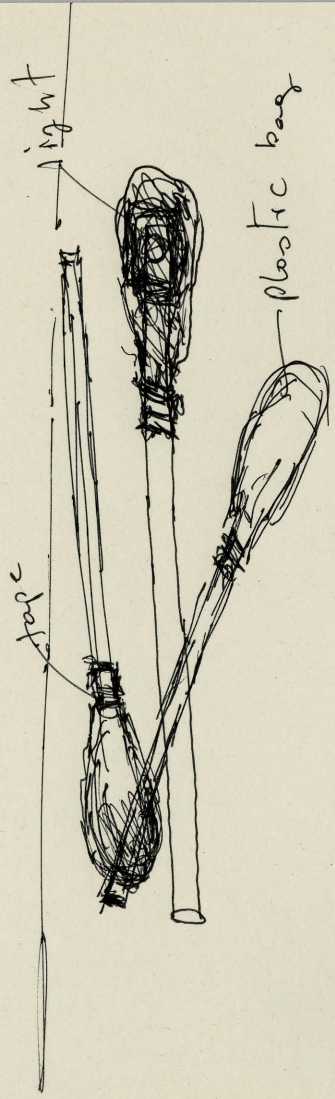

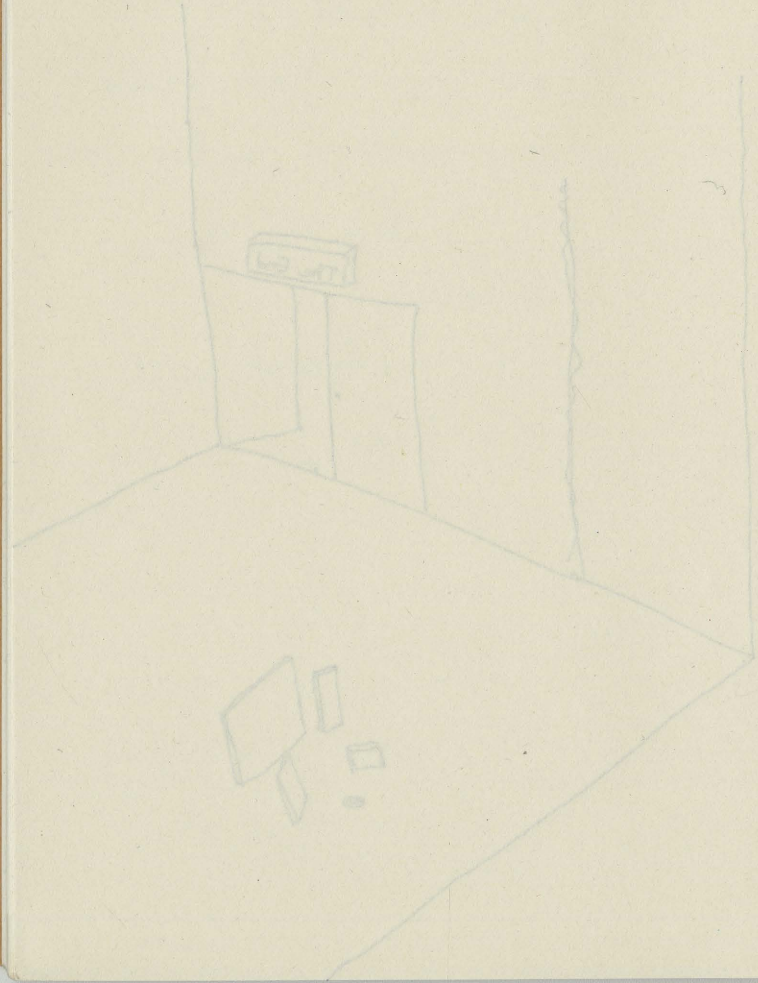

on observing matter

There is a flow
 " flow that comes from
 the material and enters my
 eyes
 if I close my eyes and
 open them again
 the material will be
 there
 if I close my eyes for an
~~hour~~ hour and open them again
 the material will be there
 if I close my eyes for a day
 and open them again
 the material will be there
 if I close my eyes for a month
 and open them again
 the material will be there

on observing matter
there is a flow
a flow that comes from
the material and when you
close your eyes
if I close my eyes and
open them again
the material will be
there
if I close my eyes for an
hour and open them again
the material will be there
if I close my eyes for a day
and open them again
the material will be there
if I close my eyes for a month
and open them again
the material will be there

If I close my eyes
for a year
and open them again
the material will be there
if I close my eyes
forever
the material will
be there.
